WORK & LEADERSHIP EXPERIENCE

Delaware Black Chamber of Commerce | Wilmington, DE | February - July 2025

Social Media Intern

- Spearheaded end-to-end content strategy and creative direction for multi-platform campaigns, resulting in a measurable increase in brand authority.
- Conceptualized and managed a high-impact digital content pipeline, directly driving 20,000+ organic views and scaling audience engagement.

Delaware State University | Dover, DE | December - Present

Organized DSU's First AI Hackathon

- Leveraged professional networks and strategic outreach to onboard industry partners, providing participants with exclusive access to cash prizes and mentorship.
- Negotiated multi-tier sponsorship packages, aligning corporate CSR goals with hackathon branding to ensure long-term partnership viability.
- Engineered the foundational logistics framework for the first AI hackathon at DSU, managing student participation, venue coordination, and technical infrastructure.

Black Male Initiative (DSU) | Dover, DE | October - Present

Data Analyst

- Created data-backed funding pathways by producing detailed reports and visualizations that demonstrated organizational impact to university partners, and potential sponsors.
- Developed new data-tracking systems to measure student participation, improving accuracy, and providing clearer insights for planning and decision making.
- Designed and implemented methods that identified, and visualized engagement methods.
